

King's Row II Subdivision
 1500 sq. ft.
 houses only R-1

Roof overhangs, steps, stoops and architectural projections are excepted.

IV. AREA LIMITATIONS

No building shall be constructed unless it contains a minimum of 1,500 square feet of living area.

Perpetual easements as shown on the plats for the use of utilities shall be maintained and become a restriction on each individual lot where they occur.

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the use of storage or disposal of such material shall be kept in a clean and sanitary condition.

V. TERMS

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded. After which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

pl. pg 2

SUBDIVISION RESTRICTIONS

The purpose of the restrictions is to provide uniform protection for all property owners in this subdivision by establishment of minimum standards of land use, building size, setback requirements and the prohibition of certain undesirable uses and practices for the entire subdivision.

I. LAND USE

All lots shown on said plat are to be used for residential purposes only. No building shall be maintained or erected except that the owner shall install sewage disposal facilities which meet all the requirements of the State Health Department.

II. GENERAL PROVISIONS

(a) Nothing shall be allowable on premises in any zone established which would in any way be offensive or obnoxious by reason of color, design, or the emission of odors, liquids, gases, dust, smoke, vibration or noise. Nor shall anything be placed, constructed or maintained that would in any way constitute an eye sore or nuisance to adjacent property owners, residents, or to the community. No bee hives, or breeding or raising of any insects, reptiles, or animals or fowls other than the customary house pets are permitted.

(b) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structure have been approved by the architectural control committee as to the quality of workmanship and materials, harmony of external design with existing structures and as to the location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

The architectural control committee is composed of Henry W. Dietz, Otto Dein, and Fred J. Barr. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to covenant. At any time, the then record owners of a majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers or duties.

The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

(c) No lots as shown on said plats shall be resubdivided into building plots, but a portion of a lot adjoining a lot may be used in connection therewith the total considered as a single building plot. The building line and side line setback shall be determined with reference to such increased plot.

(d) No structures of a temporary character, trailer, basement, tent, shack, garage, barn, or other out-building shall be used on any lot at any time as a residence either temporarily or permanently.

(e) All residence constructed on the property herein shall be for residential purposes only and the use of said residences for the practice of any profession or commercial and business use of any kind is prohibited.

III. SETBACK LIMITATIONS

Setback restrictions shall apply to all structures constructed and erected on said property as follows:

Front yard-----House 25 feet from property line.

Side yard-----House 5 feet from property line.

Corner lots-----House 25 feet from the front street.
House 10 feet from side street.

Roof overhangs, steps, stoops and architectural projections are excepted.

IV. HEIGHT LIMITATIONS

No building in this subdivision shall be greater than two stories in height or higher from the average grade than 25 feet, to any portion of the building except chimneys and architectural projections.

Garden Walls - garden walls, not exceeding 5 feet in height, may be constructed anywhere within property lines.

V. AREA LIMITATIONS

No building shall be constructed unless it contains a minimum of 1,200 s. ft. of living area.

VI. EASEMENTS FOR PUBLIC UTILITIES AND DRAINAGE

Perpetual easements as shown on the plats for the use of utilities shall be maintained and become a restrictions on each individual lot where they occur.

VII. GARBAGE AND REFUSE DISPOSAL

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage, or other waste shall not be kept except in sanitary containers. All incinerators or other equipment for the use of storage or disposal of such material shall be kept in a clean and sanitary condition.

VIII. SIGHT DISTANCE AT INTERSECTION

No fence, wall, hedge or shrubs planting which obstructs sight lines at elevations between 2 and 6 feet above the roadway shall be placed or permitted to remain on any corner lot within the triangular area formed by the street property lines and line connecting them at points 25 feet from the intersection of the street lines, or in the case of a rounded property corner from the intersection of the street property lines extended. The same sight-line limitations shall apply on any lot within 10 feet from the intersection of a street property line with the edge of a driveway or alley pavement. No trees shall be permitted to remain within such distance of such intersections unless the foliage line is maintained at sufficient height to prevent obstruction of such sight-line.

IX. TERM

These covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

X. ENFORCEMENT

Enforcement shall be by proceedings at law or in equity against any person or persons violating or attempting to violate any covenants wither to restrain violation or to recover damage, and failures or neglect to enforce any provision hereof shall not constitute a waiver or operate as a estoppel.

XI. SEVERABILITY

Invalidation of any one of these covenants by judgement or court order shall in no wise affect any of the other provisions which shall remain in full force and effect.
